

SYLLABUS

Instructor:	Alan M. Taylor		
Email:	amtaylor@ucdavis.edu		
Office Hours:	Economics Department office, SSH 1123, Tu 200 – 400 PM, plus in class or at my Gallagher Hall office for 30 minutes after class, and at any time by appointment		
Lecture Times:	Th 210 – 500 PM	Gallagher Hall Room 1302	
Catalog Description	Studies fixed and floating exchange rate systems. Topics include determinants of a nation's balance of international payments; macroeconomic interdependence of nations under various exchange-rate regimes and its implications for domestic stabilization policies; and the international coordination of monetary and stabilization policies.		
Objectives	<p>The goal of this course is study international macroeconomic issues such as the trade balance, the exchange rate, national output, and inflation. We discuss key international macroeconomic variables then develop theories about how and why these variables change over time and differ across countries.</p> <ul style="list-style-type: none">▪ The first part of the course focuses on foreign exchange markets, data and theories of exchange rate determination in the short run and the long run.▪ The second part of the course covers the balance of payments, including the trade balance and how the balance of payments is related to a country's long run economic growth and short-run economic fluctuations.▪ The final part of the course will cover applied topics in international macroeconomics. Topics include exchange rate regimes, crises, and monetary union (the euro).		
Textbook	Robert C. Feenstra and Alan M. Taylor, <i>International Macroeconomics</i> , with LaunchPad, 4 th ed. Worth, 2017. <u>Paperback Text with LaunchPad Access Card</u> ISBN: 978-1-319-16772-1		
Resources	All other resources for class can be found on the course web site (except LaunchPad homework assignments and other material; see below).		
Grading	Attendance and participation	10%	
	Homework	10%	
	Midterm Exams (2)	40%	
	Final Exam	40%	
Assignments and Exams	<ul style="list-style-type: none">▪ The UC Davis Code of Academic Conduct applies (http://sja.ucdavis.edu/files/cac.pdf).▪ Homeworks will be assigned on the LaunchPad system. Homework problems are good practice for the exams, so I encourage you to complete them. All exams are closed book.▪ Schedule conflicts. Exam dates are given in the syllabus to avoid potential conflicts. If you have a conflict, you must notify me within the first week of classes.		

**Policies and
Other Notes**

1. I encourage you to work together and to help one another in studying. However, the actual work submitted for a grade must be that of the individual.
2. Disabilities: If you have any disability that requires accommodation, please let me know.
3. Attendance is expected. And participation is encouraged too. Ask questions. Get involved in discussion. Making an error is not a problem. Not saying anything *is* a problem.
4. Please: no distractions in the classroom, no use of laptops, newspapers, mobile phones, iPods, iPads, etc. Focus on the class and take notes—or else why come to class?
5. During exams, please use *no devices other than a writing implement and (optionally) a standard calculator without programming/memory capabilities*.
